

3D Tech Dental Lab Dispatch & Deliveries Policy

Thank you for purchasing at 3D Tech Dental Lab.

When can I expect my order?

We dispatch orders as soon as possible. The times below are the expected dates for when you will receive your order.

All 3D Scanner Types Are Accepted.*

Clear Aligners, Fixed Restorations & Orthodontics Turnaround (Australia-Wide): 1 Week*

Implant Solution Turnaround (Australia-Wide): 1 Week*

*Time frames are after the scan has been received to us via email, time frames may vary.

Impressions Are Accepted.**

**Time frames are subject to products after the impression has been received to us via post; all details will be provided immediately during initial inquiries.

How is my item being shipped?

Items are shipped to you via Australia Post Express or DHL with a tracking number.

Dispatching, Deliveries & Shipping

- Shipping prices are included in the final payment of your initial order.
- If you require a remake, you will be responsible for paying for your own shipping costs for returning your item as well as dispatching your remake items shipment.
- Depending on where you live, time frames may vary for your remake product.
